Little's embarks you on a journey for his fantastic world, where circus acts are mixed with modern music, contemporary dance, and clown improvisation. A world of mood and physical skills in equal parts, where public involvement is essential and reflection is disguised as a joke.

Little arrives with his trunk full of rare items: tinny sunglasses, metal buckets, 3 diabolos and some wigs!, He dances with his diabolos, fights with the buckets and makes very high handstands! there is a unique and original diabolo, trick a roars of laughter and even your spinster aunt got a kiss...

"4x4" is an adaptable show small in size, full of surprises with great technique, featuring diabolos, acrobatics and clown improvisation.
